Danforth Center Cares Employee Payroll Deduction Authorization

Danforth Center Cares is an employee-funded, employee-administered initiative designed to provide assistance to Danforth Center full-time and part-time employees or contracted-employees who are experiencing a financial emergency requiring assistance beyond their own resources. It was developed as an immediate response to the COVID-19 crisis, however, it is designed to provide assistance in cases that go beyond the pandemic. Danforth Center Cares makes grants to help those who are experiencing expenses they are unable to meet due to a crisis or personal emergency.

Automatic payroll deductions are a convenient and efficient way to make an ongoing contribution to Danforth Center Cares. To enroll, simply complete this form and return it to development@danforthcenter.org.
